2. It is stated that the petitioner had purchased the vacant site bearing S.F.No.133, site No.8, Kanchi Nagar 1st Street, Kasipalayam Road, Nallur Village, Tiruppur-6, Coimbatore District, measuring about 1500 sq.ft, by a Sale deed, dated 18.07.1995, and registered as Document No.2076/2001. The petitioner has been in absolute possession and enjoyment of the said land from the date of its purchase. The petitioner had constructed a house on the said land and he had applied for electricity service connection for his house. The first respondent by his letter Ka.No.Assistant Engineer/Nallur/Dvn.Indl./Ka.No.233, dated 22.10.07, had returned the petitioner's application for electricity connection without considering it on merits, merely for the reason that the second respondent, namely, the Executive Officer of Arulmighu Vishweswara Swamy Temple, had by a letter, dated 30.10.2004, objected to the granting of electricity connection for the lands comprised in S.F.No.133, Site No.8, Kanchi Nagar 1st Street, Kasipalayam Road, Nallur Village, Tiruppur-6, Coimbatore District. In the letter of the second respondent, dated 30.10.2004, it has been alleged that the said land belongs to the temple and therefore, the electricity connection should not be given to the houses constructed on it. The petitioner has further stated that the second respondent temple has not initiated any action to claim that the land in question belongs to the temple and no action has been taken by the temple against the alleged encroachment of its lands. In such circumstances, the petitioner has come before this Court, by way of a writ petition, invoking Article 226 of the Constitution of India.

3. At the time of the hearing of the writ petition, the learned counsel appearing on behalf of the Hindu Religious and Charitable Endowments Department had submitted that he would have no objection to the application of the petitioner being considered by the first respondent, if a fresh application is made for the grant of electricity connection.

4. The learned counsel appearing on behalf of the first respondent had no objection to consider the application of the petitioner for electricity connection, as and when it is made, in accordance with the directions to be issued by this Court.

5. Considering the facts and circumstances of the case, the petitioner is permitted to submit a fresh application to the first respondent, requesting for electricity connection, within a period of two weeks from the date of receipt of a copy of this order and on such application being made, the first respondent is directed to consider the same in the light of Rule 27(4) of the Tamil Nadu Electricity Distribution Code, 2004, and dispose of the same, on merits and in accordance with law, within a period of four weeks from the date of its submission.
